“ *In Loving Memory of the Patriarch of our Family*

*It's hard to lose someone who meant so much to all of us,  
And even harder that we can't all be together to say good-bye,  
But please know that I am with you in spirit now and in the days and weeks ahead.*

“ Our heartfelt condolences goes out to our Dais and Brown family on the passing of granddaddy. Memory Bag - Write down as many awesome memories of granddaddy as you can think of. Write them on separate strips of paper. Fold them and place in a bag. Anytime you feel like you need a smile, reach in the bag and pull out an awesome memory. Keep adding memories to the bag and reusing the same memories. In loving memory, your grandson and granddaughter. Yancey and Shanda Dais
