“When a person becomes a memory, the memory becomes a treasure.” The greatest hope for someone is to leave behind a lasting legacy that impacted many lives. Ms. Georgie Ann Stevens did just that. While some of us may have never met her, we got to experience the greatness of her life through the people we met, such as her daughter Ayo. Our hope is that the Stevens/Snider family finds peace during this time. We hope that the Stevens/Snider family hold onto those precious treasures and know that Georgie's impact will be felt for generations to come.

To Ayo, we love you and appreciate you for everything you've done. We will always be here for you, as a shoulder to lean on or cry on. Thank you for being a special part of our group, and thank you to Ms. Georgie Stevens for bringing a gem of a woman into our lives. -
