My cousin Gerald, although we met when I was young I'll never forget your infectious laughter and your spirit. From the moment you met my brothers and me you wanted to be on our side, protect us and keep us. And its in that same spirit we will keep you in our heart. SIP.

“ *This is his daughter Ashera. Dad I miss you more every minute I think about you not being here. Not being able to hear your humorous laugh on the other end, or your grandkids calling you funny names like "coop" makes it more difficult to cope. Always know that your 1st and only child & grands will always carry you in our ! S.I.P. *
