“ I am so sorry for the loss of Angelo, my beloved Gideon's son, at such a young age. I knew him as a teenager, and he was such a sweet kid. I am sorry to see this only now, a year after his death. I extend my condolences and love to the entire Pearson family.

“ Dear Pearson Family:

My sincere condolences go out to you during this moment. I pray that God's spirit comforts and strengthens you during this moment. May His presence surround and fill you with a sense of peace and love that surpasses all understanding. 🙏🌸🌺

I met Angelo in Middle School (Alice Birney), and we became very close friends throughout our high school years (R. B. Stall). As many have said, Angelo was always a kind and loving person with an incredible sense of humor. Angelo (Giddie:-)), Anthony Richardson, our good friend Joshua, and some others and I were in biology class together. Angelo often had us and the entire class in stitches (laughing). :-)

When I experienced a very trying and life-changing experience in high school, Angelo showed me nothing but love and empathy: no judgment, only support. In life, this is sometimes a rarity. In my senior year, I opted to work and not participate in sports or the marching band. Being seniors, we were able to leave school at noon. Angelo would often drive me to work at Northwoods Mall. During these most recent years, we strived to stay in contact, especially on holidays, sending greetings and well-wishes to each other and our families. The last week in June (2023), I was thinking of Angelo and was looking forward to our next communication.

During our journey in life, I believe God provides us with people to help us along the way. I consider Angelo one of those angels who helped me along the way during my formative years. As Proverbs 18:24 says, "There is a friend who sticks closer than a brother." Angelo, my friend, I thank God I had the opportunity to be your friend and experience life together in our earlier years and beyond—to laugh, love, etc.

Rest in His Peace, Strength, and Love. 🙏🕊️❤️🌸
