“ My family sends their love to the Stokes' family and friends. We are just learning of the passing of Ms. Gloria and are very saddened. Ms. Gloria and my parents Rose and Lemrick were very close friends all of my life! Ms. Gloria took care of me and my brother on many occasions. I'd checked on Ms. Gloria during the pandemic and wondered why the phone went unanswered here-lately. Now, that they have found their way back to each other I smile in love. Ronald and Orlando I would like reconnect with you, if you don't mind. In deepest sympathy.

“ Gloria was such a beautiful person and a very good friend. I will miss her but God decided that he needed her in his garden. We shared many memories and they will sustain me. Our angel is in heaven trying out her wings.

“ Gloria Stokes was like an adopted “Aunt” to us. We invited her and she shared in many of our “family” celebrations. She was just a lovely person to be around. She was never one with many words, but her presence brightened our lives. And, when we were facing the sickness of our mother, she was always there for us, encouraging us. We love you Gloria and you are definitely missed. Praying for her family.
