“ My Deepest sympathy for the Hattie Nesbitt Family, it was heartbreaking to hear about the passing of your dear Love one and my friend and neighbor Ms. Hattie. I will always remember her for kindness and her smile. Take your eternal rest my friend, you've fought a good fight, never giving up in spite of what it look like, through all your trials, you held on to the Master's hands. We will miss you but it's been a great pleasure knowing you. I will always remember the special person inside of you. Thanks for being my friend. Goodnight, your children are waiting for you.
