“ *Heavenly Father we know and believe that our times are in Your hands, but Lord it's a shock for me and my family that our dear aunt Sis (Henrietta's) transition death, Lord, we bring before You today those who are having to go through such a tragic loss and pray that You would be very close to each one that is in mourning today over such a loss – and are perhaps confused or even angry that such a devastating occurrence.*

You are the God of all comfort Who comforts us in time of need and we pray that for those that are facing such a difficult trial today. Uphold them we pray, and ask that You draw very close to them ... raise up we pray, the right people to minister to them and to be a genuine comfort and support at this time of tragedy and grief.

Lord, we don't understand why our loved are removed from us – but Lord we trust You to soothe away the hurt in time – for shall God of all the earth do right.... In Jesus name, we pray,

Amen.

Love, Ervin

“ To the Pinckney-Lewis family, I am deeply sorry and saddened to hear the loss of Sis or Henrietta Pinckney Lewis. She was a very wonderful, quiet, loving, sweet soul. My mind goes back back on her visitations home in that old white Cadillac. Her spirit reminds me of Big Mama her name sake. Her church attitude is to serve, she made her way to church as usual with a smile and quietness. Ten Mile as well as the Beehive/Gadsdenville areas have lost a great Christian woman. She accepts you as you are, always reminding you that we are family!!!!
