“ *Isacc was a good man and someone I considered a friend. He was an intelligent man with a relaxed personality that made difficult times easier to manage for everyone around him. I pray for peace for his family during this difficult time and understand that our loss on earth is heaven's gain.*

“ Isaac has been my friend and mentor for over 16 years. Someone as special as Isaac will never be forgotten. Whether it's a football sheet or balance sheet I think of him. I thank God he came into my life and although now there's a big hole in my heart, I have such fond memories to keep his spirit alive. I hope and pray his sons follow his great example and understand the lessons he was trying to show. Wishing you all peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts.
Yours in Sympathy,

“ Isaac was kind and gentle, relaxed and steady when everyone else around him was running around stressed out. I was fortunate to have worked with him some time back. He had helped me at work on many occasions, explaining things very patiently. His standard opening line used to be "so, how are the kiddies?" There's one instance when Isaac and I had a long discussion about back to school sales and what shoes to buy for his grandson and my son....I've since moved on and haven't spoken to him in years, he's definitely a special person I met in my life. Wish him the best wherever he is.

“ *I Pray each of you find peace in the mist of this journey. Isaac has run his race and finished his course and I am confident that he's wearing his crown well. I worked with Isaac in Charlotte, NC for a season and I am blessed because he crossed my path. I miss him dearly but understand it's only for a while, that I will see him again in the by and by. Stay encouraged and trust in the Lord. Jeanette Partlow, Bank of America*
