“ *“Train up a child in the way he should go...”*

Throughout my life, you have shown and taught me welcomeness, generosity, and unfettered love. You have opened your doors to us countlessly with hospitality and warmth, as well as your heart. For that, I am forever grateful. I pay homage to you by doing the same to those I touch and continuing to walk in your light.

I pray for calm, peace, and understanding for your immediate family and all who experienced the blessing of knowing you.

Thank you, Aunt Izola. I love you.
