“ *My heart is broken; this was a long life friend since a young age and he will be forever missed, and have a special place in my heart; bc he truly had a heart of gold and was a good man to me & everyone I ever saw Jamarr encounter with he never judged them. He taught me; God is the only one to judge us. I am forever grateful the words of wisdom he shared with me and the spiritual words of the Bible he would help me understand to be kind to others and to never give up, and deeper conversations to encourage me that we all go through things and it's okay to not be perfect; but to love GOD and just be you; bc we are all his children. He was a strong, smart, intelligent man. I'm so blessed to have had him in my life. Until we see each other again, I love you friend and I know your not hurting anymore, GOD has you. I send love to Jamarr's family and friends during this time. God bless.*
