“ I had the best Uncles when we was small children. I always remember when Uncle Jamie that's what we called Uncle James came into town with his family we had big gatherings and He would always play with us and do things that made a child feel loved .I would cry everytime He left. I love you Uncle Jamie and family. Time isn't on our side. Allow GOD to hold your hand in this difficult time. Always carry the good times in your heart daily. That's how I make it.
