“ I can truly say that I am going to miss my big sister in Christ, Janice. Her smile and laughter was infectious. She ALWAYS had a kind word to say and never failed to offer love and encouragement. Janice exemplified what a true child of the Most High God is supposed to be; and not once did I see or hear of her wavering from her divine purpose. I pray God's peace and strength on her husband, my friend and big brother, Eddie, and her beautiful children. I pray that her life touched the lives of many, and through her life, brought many to know Christ Jesus. Janice, I'll forever love you.

Your CRAZY sister,

“ *Janice was pure class; a lady at all times. When you were in her presence, you were welcomed with a smile and a hug and when you left, you walked away knowing you just made a friend for life. In our last conversation, she said she just wanted to see her Father's face and hear the words "well done" and I have no doubt that she has made that transition and is with our heavenly Father. I will miss you dearly for you were truly a sister (friend) to me but we will meet again someday. May God bless and keep your family.*

“An amazing ride.” - That's how Janice described her life and I know it was. She had no regrets for the life she'd had the opportunity to live and share with all those in her life. And I got the opportunity to let her know how much I respected and honored the Grace with which she was addressing her final journey. With Grace and Love, she prepared all of us as well as she could - she met us where we were to understand that it was well in her soul. Thank you my friend, thank you. May God hold your family close during this time and in the days to come....

“Janice, we will miss you my sister in the Lord. You had an infectious smile and determination that was amazing. Your example of how to deal with God's plan even when it is painful, gives me hope for when I am called home. May your family be blessed as your legacy lives through all of us.
