“ I can't believe aunt Mainee is gone, she was a very blessed person. She was a very gentle kind, loving, understanding type of person. She counseled me many times, she loved and cared for many. If you came to her with a problem and you're a little angry, you would definitely leave feeling revived. She would say right is right and wrong is wrong. She would say think about what's going on and correct your problem.

She loved her church and family very much. She was a regular church attendee and was always there enjoying the service. Even after she wasn't able to attend she would always ask about the church. She always made you laugh and smile with a joke. And, if you didn't understand it: She would say go home and think about it. And , if still can't figure it out I will tell you later.

To cousins Ethel(Zulu) and Albert(Ted), you guys did an awesome job taking care of her. She's with uncle Herbert now, we thank God for 100 years. Goodbye aunt Mainee, you fought a very good fight. And, strongly kept the faith.....
