“ We are trying to stand strong. It seems so unreal. You didn't deserve this. I remember reading the news, dreading typing the name in Facebook and seeing your profile come up. I can't imagine what my brother is going thru hearing about your death. You were one of us. Fly high and keep watch over us. We gonna miss you but you will never be forgotten.

“ I met Jesse 11/12 years ago when he worked at Guy C Lee for a short time and then I came to work @ Southern Lumber in 2008 and we reconnected as co workers again. He was always a joy to be around, Happy and funny. When he got his new Big Mack truck here @ Southern I nicked named him (Big Mack) and he called me (Little Mack). I will truly miss hearing that rom him and miss not be able to call him that. I am truly saddened by God receiving another Angel, but he has received a great one. Thoughts and prayers to all his Family and Friends in this sad time. May the Lord watch over all of us and give us the strength to proceed through our journeys of life. Jesse, you will be missed so much. Little Mack aka Katie Dinsmore.
