“ To miss Lloyd thank you for everything did you do. Thank you for helping me raise my child,so I could work. Taking the time to teach her how to read and write at such a early age. And of course for sharing your mother with me. I will always love you.

“ Aunt Sally! What a principled, god-fearing, standard-bearing, no nonsense lady who gave respect and demanded it at the same time. There was never a time nor shortage of guidance, positive enlightenment, or offering of support growing up when Aunt Sally was around. We love you, appreciate everything you did and said to help coach and prepare us for life, and we will miss you dearly. Thank you and rest peacefully. -Antwan

“ May God bless each of you during this time of bereavement. God is with you and He will never leave you nor forsake you. It's not always easy to accept the homegoing of a loved one but it's possible because with God all things are possible. Take care of each other in love.
Your Cousin,

My friend for over forty some years. I remember when we met. It was at the 7-11 store on Spruill ave. We became friends instantly, all getting in trouble and my how we giggled a lot. She always remembered my birthday and I will miss her dearly.
