I didn’t get to know Johan very well, but I always loved her voice as it was melodic I worked with Mary, her sister-in-law at BellSouth, and they both were beautiful spirited women and model employees. May the Peace of the Lord be with the family.

“ My heart is so heavy. Johan was a sweet, kind God fearing woman, who consistently prayed for me as her principal and later friend. I remember our long conversations on many occasions and the yearly fruit cakes this time of year that melts in your mouth. She pushed me to continue to pursue my goals and aspirations in spite of adversary. She helped instilled in me that what God has for you it is for you. All the devil can do is distract you from your purpose. To the family my heart felt sympathy and condolences. Her spiritual life lessons will remain with us daily. Until we meet again my friend. I love you and sleep easy.
