“ *John was family. He was a brother to my mom, aunts and uncles. He was a kind man with a heart of gold who loved everyone he encountered. Its hard to believe that my mom spoke to you Wednesday, my uncle saw you Thursday and you were gone on Friday. I will forever remember you cousin John for your laughter, your humor and those dance moves you showed us a few years back. We will forever miss you John. You were amazing on earth and I'm sure you'll be amazing with those up there.*

*RIP Uncle John*
