“ My condolences to the family. I said hi to the daughters at the funeral home. I met Johnny several months back at the Hollings cancer center. We both had AML and the same Dr. We encouraged one another each time we were there for treatment. We knew some of the same people. He loved his family.

“ In the late 90s Johnny gave me my first opportunity to be his customer service manager at 275 in West Ashley. He was a great manager and an even better district managers several years later. He was always so approachable and made me feel comfortable. He will be missed! I sure appreciate everything he did for me as a customer service manager. I felt like he always had my back.

“ Johnny was kind, fair, and funny. He was not only my cousin but he was like a big brother. When we were younger, if someone was being mean, I would say, I am going to tell Johnny and that would take care of the situation because he would handle the issue diplomatically. Johnny will be missed.

“ A year or so, after being promoted to Store Manager.... I'll never forget the morning I came into work one day, with a handwritten note on my office door stating "store looked great today Scott... Johnny Brown". Man did that make my day. Best part was Johnny had been retired from the industry at this time for awhile... but he was still making an impact on us!!! I will forever remember that moment. Meant a lot to me since, I first started working in his District as an Assistant Produce Manager downtown!!! Such a great man of character and personality!!!
