“ Joe was the type of person that left a lasting impression on everyone he met.

His smile and kind spirit will always be remembered!

It was a joy to have known him during the years I taught first grade at JBE.

Just a few weeks ago when I was at school, he greeted me with a big hug!

His memory will be forever cherished!

With heartfelt sympathy to the Manigault Family,

“ Mr. Joe was a friend to every child at James B Elementary and my three boys and I remember him being such a sweet man. Whenever he saw the boys in the summer at Magwood Seafood he remembered them by name and they were always so excited to see him. Over the years I would occasionally see him and without fail his beautiful smile brightened my day. Now the boys are grown men and still remember him fondly. We all are so sorry for his loss and wish his family well.

“ Mr. Joe always was smiling in the fish house back in the eighties when I was always down there. You could be having a bad and he would make you forget about. He never spoke a mean word about anybody. To the Manigault and extended family I send my prayers and condolences.

“ *I'll always remember Joe's wonderful smile and happy personality which he shared with all of us at JBE Elementary School. Joe was an important part of the JBE family, always willing to help in any way. I'll never forget the time he and Tom Lee, principal at JBE, were the wicked step sisters in the faculty play at JBE. Joe brought the house down with laughter as he came on stage in his step-sister costume with the blond wig. I will always remember Joe Manigault who made the world a better place for all of us.*

Sure enough they would leave with a few and ask if you wanted some?. He was nice, so nice and always gave you the warmest smile when you enter the dock to buy shrimp. Truly will be missed, you have ran your race and finished your course. Well done they faithful servant. Sleep on...
