“ *What a Joy it's been to walk this journey with you, a man I once knew I called my friend, my uncle, My father.*

And Oh, what an experience I've had over my lifetime how you've attentively mold me into the man that I have become.

As a nurturing father you you explained to me the fundamentals of family. In the meanwhile step by step you were the cause that changed me in character.

The best part of our life you shared with me was the mysteries and the history's of the world.

I was so fond of you with your experience and knowledge of life you kept me so fascinated. You opened my mind that gave me a thirst to research how our world evolved.

Your folksy homie, humble, laidback, modest and simple straightforwardness allow me to understand life in an uncomplexed way.

And for that I thank you. And because of this I can stand up to the world with my head held high.

You taught me valuable lessons in life that have made me become a blessing to others.

My children Michael Jr, Brandon, Whisper, Patience, and Jarrett adores you. You have made all our lives more valuable and meaningful which is more richer than silver or gold.

I will continue to walk this wonderful path called life that you my mother Celeste, Helen George, Sonny, Mabel and Agnes has laid the foundation for my life.

Your soul rest in peace

The forever loving friend, nephew and son

Michael.

*On behalf of my family we would like to thank God for his mercy and his grace
I would also like to thank Jesus for sending my cousin Bobby's Ravenel angelic wife Katie Ravenel for her unwavering support before and as our beloved Billy went into transition.
Her extraordinary strength and her extraordinary desire to serve God helped us through this extraordinary time in our lives. And for that we thank you with all our hearts. May God continue to love and keep you safe.*

Ms. Nina Gonzalez you and your family were also dispatched from God, and with open arms was more than willingly to assist in any way you could to ease the burden when our responsibility was hard to bare. Thank you for your kind words daily. May God continue to bless you and keep you.
