“ *Adrian, I was very saddened by the news of your mom. Your mom was a wonderful lady and I can not believe she is gone at such an early age. My prayers are with you and your brother.*

“ *Words cannot express the pain & hurt I feel as I grieve the lost of my best friend." Besties" as we would refer to one another. Trice & I go back to 1986 and so many stories in between. We went through many happy times, sad times, obstacles, difficulties, encouraging one another, long meaningful early morning conversation, a lifetime of friendship.*

Bestie I am not trying to understand what God has appointed. But know you are with me & will live deep in my heart. I will never forget you until we meet again. Soar like an eagle, my sweet Angel Trice ❤️
