“ No words I say will ever soothe your broken heart..... Just know that God knew which home to place him in.... God knew which Mother would be right for him.... God knew which Family to surround him with.... Because of you and everyone that touched his life Master Juan Estrada thrived against all odds... No regrets Nina, just sweet sweet memories which will last your life time.. Love you Nina, Danny and Debra.. Well Done.

“ *Juan was my nephew, and he was unique in every way. He came to make a change, and to watch over his earth mother. Juan was Nina's angel and guardian, and will always be.*
