“ *Was a blessing to have known and become a good friends of Mrs Bennett. She was a joy to work with as well as be someone I could always talk about anything with. She was like a mother figure to me. She loved God, family, and people in general, and the 2 greatest commands are to love God, and love man. She did both. Hope to see her soon when Jesus comes to wake her up out of her sleep, and gather all the saints together to take them home to spend eternity with him. It's alright to grieve family, but remember Joy cometh in the morning. Prepare yourselves for that great reunion in the sky when Jesus comes. Her work is done.* ”
