“ You were a special part of my life and my upbringing my dear aunt.
This poem is for you. I love you always.

Sharon Williams

*I thought I saw her face today
In the sparkle of the morning sun
And then I heard the angel say,
"Her work on earth is done."
I thought I heard her voice today
Then laugh her hearty laugh.
And then I heard the angel say,
"There's peace little one at last."
I thought I felt her touch today
In the breeze that rustled by.
And then I heard the angel say,
"The spirit never dies."
I thought that she had left me
For the stars so far above
And then I heard the angel say,
"She left you with her love."
I thought that I would miss her
And never find my way.
And then I heard the angel say,
"She's with you every day."*
