“ *To the Family of Judy, especially to her children. I was saddened to learn of her passing. She was a beautiful person who greeted me with a beautiful smile. Her smile would light up not only her face but yours as well. It was a pleasure to be in her presence. Judy was also a great nurse she gave me her hands to hold when I needed one to hold in the doctor's office. May her soul rest safely in the arms of our Lord and Savior Jesus Christ as we cherish her memories with love. In His Love, Jannie McConnell*
