“ So sorry to hear of the loss and passing of Grandma as me and my daughter calls her. When we met her she was very spunky and so full of life.. she always made us laugh and she gave us encouraging words.. she will be missed by many. Though she's gone from her on earth but never from our hearts.. Rest now Grandma your work here is done. To the family, May God Comfort you at this hour, Weeping may endure for a night but Joy Cometh in the morning. We Love you But God Loves you Best..
