“ I met Julie while working at the Sunshine House on Long Point Rd. Julie and I had 17 years of friendship. Over the years we always picked up where we left off . She was always there for me as I tried to be for her. We shared many tears of pain and sadness, and she lifted and filled me with joy and laughter. She was the definition of a TRUE FRIEND! She told me when I was right and when I was wrong and was always a listening ear. She gave words of encouragement and lifted my spirit. She had a strong personality as well as a loving one. She LOVED her children as well as the children she taught and nurtured and they ALL loved (Ms. Julie). I will miss my friend, our talks and laughs but I know she is resting in peace. I pray and send condolences for the family, her children, and her students. Julie will be missed but her memories will live on. Sleep in peace my sweet friend until we meet again
