“ To Linda and the Mitchell Family: We still can't believe that Julius is no longer with us. He was a friend to all and someone you will always want in your corner. He will always be in our hearts. Linda, thank you for taking excellent care of Julius (my brother). You took your loving responsibility above and beyond the care that many would have done. As Julius would always say, "Linda Would Be the One Who Will Bury Me!" Thank you so much Linda, we love you.

“ *My deepest condolences to the family. My first memory of Julius is when he played baseball initially for Awendaw Astros. I was very young but I remember Julius hitting three homeruns in a row out in centerfield! That was a moment that has never left me.*

As I got older, I was able to play baseball with Julius on the Awendaw Astros team.

Also, he was a great second baseman!

Those three back to back to back homeruns are forever etched in my brain.
