“ I live down the street from the Clark residence. I will miss Mr. Kenny's smile and friendly greeting from his spot on the porch as I strolled past his house. I enjoyed his stories of living in New York and complaining with him about the awful heat. Our neighborhood will miss his smile and presence.

“ Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him.
