“ I would visit during the summers when I was a child with my grandma Rachel (Rose's Aunt). I always enjoyed my cousins, especially Nita. I called Mickey my 2nd mom. We had so much fun. Nita and I was born one day apart and had sons on the same day and year (Travis and Ronald). Rose always embraced me with love and kindness and I loved her cooking. She will live on in my heart. May peace and God's grace be with the family.
