### Little Footprints

How very softly you tiptoed into my world.

Almost silently you stayed, but what an imprint your footsteps have left upon my heart.

A heart of gold stopped beating.

My baby girl's eyes at rest.

God broke our hearts to prove, He only takes the best.

God knew she had to leave us, but she did not go alone.

For part of us went with her, the day he took her home.

To some she is forgotten,

to others...just the past,

but to us who loved and lost her memories will always last.

Although we are not together

We will never be Apart

You have left your tiny footprints

Engraved within my Heart

# Tribute Wall
