“ My dad was the patriarch of our family, a man who brought us together and reminded us what love and family truly meant. He had a contagious smile that could brighten anyone’s day and a spirit that made people feel comfortable the moment they met him. He was strong, loving, and always there when we needed him. The legacy he leaves behind in his children, family, and everyone whose life he touched will continue to live on. He will be deeply missed but never forgotten.
