“ In a life, there are people who are unforgettable; they make such an impact that the memories of them are seared into your psyche. Kevin Lamont “Geech” Greene was one of those people. He was the penultimate companion, brother, and friend. I will miss him.

“ I have known Kevin since August 1978. From that moment to the last time that we saw each other 41 years later he always greeted me with a smile and a hug. I'd like to think that he saw many of us during our time at Howard as members of his extended family. I have been honored to be counted in that number. I will sincerely miss "My Main Man Geech"!

“ Thank you for being my friend Kevin. You were one of my best friends especially as we were growing older. Over the years, we shared many good times together, but the most meaning day was when you stayed all day in the hospital with me after my first hip surgery in 2017. FIETTS!

“ Kevin Greene. Number 23. It's hard for me to come to terms that you have earned your wings. Cherished every moment that we spent on line and as friends. You were always the ultimate host and very good at reading people. Rest in Heaven my beloved Sands

“ Kevin had a big heart and was great friend to all those who knew him. He will be dearly missed but our sadness is soften only by the knowledge that he is resting in Gods kingdom. Condolences and prayers to his family.
