*To the Nick Family,
I was so shocked to hear about the passing of Bishop Nick. I remember him from subbing at Cainhoy School. He was not much of a talker. He was quiet and reserved. I was so happy when he graduated and went into the ministry. It is so good to see when the students, a teacher has had a hand in helping to mold continues to do well. We know that he does not have any more troubles in this world.*

*May God comfort the family during this time of bereavement.

“ To The Nick Family, My heart goes out to you, sorry I could not be there to celebrate" our loved one's" going home service but my spirit was there with you all on this journey. I remember Kevin and I sitting in his grandmother's yard after her funeral along with other family members looking at our ancestry books and sharing memories of our love ones. I will miss him at friends and family and you taking part in the ceremonies. Rest in peace dear cousin you brought much joy to so many lives. Love, Cousin Celestine and Family
