“ Our hearts go out to your family in your time of loss. Ms. Gilliard was Mel's mother's roommate in her time at Harvest Health. Whenever we came to visit, she had such a sweet smile for us and was a joy to be around. We are thankful mom had her for a roommate. She will be missed.

“ What a beautiful soul. Always kind. Way back since Piggly Wiggly where I first met her working in the bakery on Meeting Street when I lived on Jackson Street. She was like a mother to Natasha. Her sour cream pound cakes were to die for and she generously shared. Everyone in that family can throw down, but especially Shawn. Thinking fondly of each of you. Love Terri Owens

“ I’ve known LaReese for decades. She and I worked together in retail. We opened the store everyday and shared our lives, our loves, and our dreams for the future. Reesie (what I called her) jingled when she walked...a busy/happy sound. And she was the ONLY female I have known who could wear one or more likely more than one...and smell like morning dew. Bon voyage Reesie. Take my love and respect with you.

“ Tennie was a family friend for over fifty years. She and my Mother Rhunette Crawford and the late Leola Pryor shared many great times together during their friendship. Tennie was a beautiful person, fashionable in appearance at all times. Her soft spoken voice was sweet. She cherished her children and friends. She will certainly be missed by many. Rest in eternal peace.
