“ *My Soul Doth Magnify The Lord and My Spirit Hath Rejoiced in God My Savor. We know that this day was Inevitable, but still I'm finding it difficult to embrace its reality at this moment. Under My Ordination and Degrees I Counsel, Cosole and Comfort Hundreds monthly; however during this time it seems as if The ONLY Thing to comfort me "Uncle Sylvester" is the Memory and Convition that came from our last conversation and the Time we spent talking and laughing and openly and honestly looking into The Journey of you Soul! I Am Happy to know that as you so lovingly put it, "You were still A Work In Progress" but closer to God's Law than before. I will never forget The Scriptures that you quoted and the reasons you said they meant the most to you. It's not Easy knowing that My Younger Uncle has dropped this Earthly Flesh, but Spiritually I understand your assignment. Thank you for our talks and most of all Thank you for introducing me to Quan. Take your Flight and May your Soul find it's Eternal Resting Place. Peace, Love and Grace from Your Niece, Bishop Dr. Theodosia "Chisolm" McLean*

“ *The most forgiving, kind-hearted, nonjudgmental uncle. We were supposed to have a conversation, I am still waiting. Hard to express my emotions...but YOU knew how much LOVE I had for you. WOW, my heart is heavy and I find myself asking God if I could have done more, said more, kidnapped you - something! But I find comfort in knowing this did not take God by surprise...therefore I am accepting what God has allowed. You rest easy, you have deposited great nuggets in Quan and countless others, your life was certainly not in vain. I love you Man of God.*
