“ *To: The LeDoris Wingate Hamilton Family We are very sadden to hear of your loss. At times like these, it seems that words cannot adequately express the depth of our sorrow. We pray that you will know that after the darkness, comes the light, and after the sorrow, comes the joy. May the Grace of God keep your hearts and minds through Christ Jesus. With Heartfelt Sorrow, Your Cousins, The Jackson Wingate Family*

“ *Aunt Doris, You will be remembered for your zest for life and jokes. You were a great GodMother and Grand Aunt. I remember when you and Uncle Junior would come over for holidays and create laughter in our home. I will remember mostly my birthday dinners at Red Lobster when I was younger. (my favorite place). I will also remember the jokes you would tell and your southern drawl. :) RIP ~your God-Daughter Jennifer*
