“ I fondly remember Cousin Lee (as we called her). She was always respected by her Aunt Mamie and Cousin Ernie. Although, time and distance have not allowed me to be in her presence, my prayer is that she is now in the presence of the only One Who truly matters. I continue to pray for the family. I am the girl that Mamie and Ernestine raised. Debra Brown Gray, Southern Pines, NC

“ *Sis. Leola Howard White, was a very kind, loving, and caring person. I was not fully aware of her passing but, she proved to be a wonderful person.*

I enjoyed seeing her every Sunday in church, she served faithfully on the choir and many other boards in the church. She loved her church, she fought untiringly for her church. She even put herself on the line and fought for me within Greater Zion AME Church. May her love and church work be blessed by God and her community. She will definitely be well missed, the family has lost a true genuine person.

I loved past times talking to her about the earlier church of Greater Zion. She would mention times of families, many I didn't know I was related to as family. She would always instill within me help your church and community as my parents. It all starts at home and church.

There were times when she would call for out for me or send a message. I would try my best to come and her tesponse would always be: Don't forget Greater Zion. She had a great deal of admiration and respect for Greater Zion. She will forever have a lodging place in my heart. May she rest forever and ever with our Lord and Saviour Jesus Christ in Christendom.
