“ Leslie and I became friends when we were both employed at Jenkins Institute. She had a kind heart and living spirit. She would be in pain but would still push through. Leslie was will be remembered for her love for everyone, blonde haircut, jewelry but most of all her beautiful smile and kind heart. Sleep in heavenly peace my dear friend. She will be missed 🙏🙏🙏💔

“ I met Leslie many years ago when we worked together at MUSC but through the years very seldom we may have bumped into each other or she would always ask my mom about me. Just a sweet person and I'm just finding this out today but I'm sending my condolences to her family and friends and Leslie may your soul rest in peace ☐
