“ *My Father, John Delpit, worked with Mr Frazier at the Charleston County Family Detention Center, for almost 10 years. Mr Frazier was like a brother to my Dad. They were true friends. My Dad retired with Parkinson's and during those years we lost contact. But when Mr Frazier saw Dad's funeral notice, he rushed to be there. He stayed in touch with me and my brothers through the years. During the last 5or so years, my brothers and I had not been able to make contact, but have kept him in our thoughts and prayers. It is a comfort to know he will be with our Dad now too!! He was such a wonderful friend to our family. Sending our thoughts and prayers to the family. Sincerely, Beverly Delpit Tankersley, and the Delpit Family.*
