“ To Mrs. Janet Wright and the entire family. You have our deepest sympathy and sincere condolences. We share in the memory with countless others in the tri-county area. It takes a special kind of person to have the vision and heart to address food insecurity. We are so very grateful to his Godly service in the community. He will be missed. We pray that God gives you peace and comfort in this difficult hour. We pray that God will give you strength in the days and weeks ahead.

“Dad I will always LOVE you! I’m sorry we didn’t talk much these last 2 years. I want you to know I’m proud of you for all you have done for me and my siblings. I thank you for helping all the people who needed food to. I wish you were in Texas cause a lot of people are need of food here. But I’m glad South Carolina got to see the LOVE YOU HAVE FOR PEOPLE. I miss our talks! I miss your voice. I wish I would have more time with you. When my mom died I went in depression. I didn’t eat for 4 months. I ended up in the hospital myself. I stayed distant from everyone. When I heard the news about your death May 6, I was like NOT AGAIN. I don’t know if I will be able to handle another death less than 2 years apart. All I do is watch your morning discussions. Thank you for being my DAD. I will never forget you Pops! Your name sake Levi Wright II.
