“*Mrs. Lillie B Smith was my best teacher, my best role model and my best friend! I love this lady! Because of her, I was inspired to become a teacher! She spent a lot of time with me making sure I stayed on track and lived the dream that our forefathers had wanted for us. I am forever grateful for her teaching me to give back and remembering to whom much is given much is required! My heart is heavy at this point. Thank you Mrs. Lillie B. Smith for everything! Although you maybe gone in the physical, you will forever Be in my heart and the way I teach and shape education!*
