“ Please family and friends have the confidence in God's word and future promises as the faithful man Job. That he, the TRUE God could heal our loved ones from sickness, make them young again and even bring them back to life. These promises were demonstrated by Jesus while he was on earth, leaving us a glimpse of our future live here on the earth forever! Job 33:24: John 5:28, 29; Psalm 37:29

“ My sister! My sister! Theses words come from two persons who love you so much and dearly! The Lord has set a plumblin in all of our lives, that we shall know him and be strengthen by him. The flower of sister Loretta's plumblin has come into full blossom, that the Lord Jesus Christ has attended to and blessed through out the years. Sister Loretta, we will miss you very much and knowing that the journey the Lord has planned for you has not ended but just begun. My sister you have seen the "Star In The East" and has come to worship it "Jesus Christ". We come in prayer through Faith, that Jesus Christ will keep and watch over the entire Young Family during this time of silence! Your Sister and Friend Felicia&James Brown!
