“ Mrs. Swinton was always a person that smiled. She treated her students with lots of love and compassion. To the family, you may have lost your foundation, but I'm quite sure her legacy will live on in each of you. I will continue to pray for your strength during this time and all times to come.

Life is the greatest gift that God has given us, Death is only a bridge towards eternal life with God. Certainly, Heaven is rejoicing for another Soul has finally reached her true home.

“ My Heart is saddened to have heard about the passing of my dear cousin I can hear her soft spoken voice saying Oh! look'a Lane. she went from her laboring to receive her reward. To the Family my Family allow me to leave you with this scripture:
John 14:1-3 "Let not your hearts be troubled. Believe in God;believe also in me. In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also.
I will keep you'll in my prayer's .

“ I remember the days when uncle Joel would bring you along when he came to visit his sister;my grandmother. We use to have so much fun playing in the yard. oh yes,and the time that we would come over to get the milk for grandma Taa....playtime. You grew up to be a wonderful,loving and caregiving person. You always recognize and reach out to family. You have made the Nesbitt/Grant family proud. God has blessed you and has rewarded you with a mansion up in heaven. We love you,but your father in heaven loves you more. RIP! My beloved cousin!
