“ To: Marcella, Shonda, and Lamont,

I'm so sorry for your loss. When I think of all the fond memories of growing-up in St. Matthew the Gourdine family has always been part of those thoughts. Your mom was always a humble woman with so much grace. I will always remember her beautiful smile. Every time I would visit St. Matthew and see a member of the Gourdine family, from your mom to each of you (Marcella, Shonda, and Lamont) I felt the love we shared over the many years. Each of you carry such an awesome trait of your mother, to include her calm spirit and strength. This moment may seem hard, but I am praying for you and know God will take care of you. I love you all. Your brother for ever. Merle J. Richardson 404 380 0121.

“ To the family or should I day my family not by blood but by love. I meet Lula over forty years ago. Our friendship grew into being family. To know her is to love her. She was a beautiful person kindhearted and lovable. Those that was on that journey with her can truly say it is well with her soul, if anyone made it surely she would. To be absent in the body is to be present with the Lord. Love You.
