“ To Johnetta & Family I know how it is to lose a sister. A sister is a person you sing, dance and just be real with. My sister past and all I have is great memories that we use to do together from children days to adult years. We argue make up. We try not to let the sun set before we make up. But what keep me strong is I know she is in a happy place no more pain, suffering, everyday is like a Sunday no more MON through SAT, everyday is a Sunday for her and sunny. To be absent from the body is to be present with the GOOD LORD. So some days you will cry and next hour you will laugh at something she did or said. Memories are special & many pictures we took are cherish able. May GOD surround you all with HIS LOVE like the tallest mountain. Be bless and try to live one day at a time. May GOD Bless you all.
