“ Aunt “Bootsie” was my sweetest and most loving person who care about everyone she met. I will always have wonderful memories of her and missing her warm hugs and smiles. God bless Malverse and know she is home with her brothers and sisters

“ I am so proud to have been of one of Ms M. A. Middleton’s student. She was my first and second grade teacher at A B Rhett elementary school. She was an awesome teacher. Not only was she inspiring at school but every Sunday at Morris Street Baptist Church we attended. Every time I would come home during my vacation we both had a gigantic smile on our faces. I would say look at my first grade teacher who started me on my life’s journey and she would smile and hug me saying look at my student. Rest in peace I can attest that you deserve it for you gave your all to your students all the time. Thanks for all the love and leadership.

A tremendous loss. Ms. Middleton and mother were close friends. We called them “Thelma and Louise.” She was my sister’s 1st and 2nd grade teacher. She was also a loving person to our children. I am so thankful I got to visit with you a week before your passing. “Well done, Ms. Middleton.”
