“ *I am proud to call this Beautiful spirit Godmother, my Mother could not have picked a better person.when around her I always felt like I was that little girl that looked forward to the hugs and always felt special. She also started my love for cabbage patch dolls every time I see one I think of her. I could go on all day, my heart is broken. Shattered when I got the call. I am blessed to have an amazing person in my life. Love you Godmommy you will never be forgotten*

“ *I met Ms Richardson while she was delivering the mail in my
neighborhood, and spoke frequently over the years. While she was
ultimately professional in her job, she always had a smile or a wave
to those on her route. I will miss that sweet lady very much and
hope her family knows how special she was to so many people!* 😭
