“ Hey Mom,
Thursday, June 30th I will never forget. It was
me and you always fighting against COPD. It
was a battle you fought many times. But a few
days before that night, I knew it was different. I
left work because of the Holy Spirit telling me to GO HOME. I left at
9 and I watched you sleep for almost 2 hours then you awoke
struggling to breathe. I knew it was time for Louise and Betty whom
you spoke of several times were there to usher you to your
Heavenly home. People always say cherish boy did I.
I'm still so DEEPLY HURTING
MY GOD ONLY YOU CAN HELP ME.

*I have known Mrs. Logan from middle school through adulthood. She was always such a sweet loving person and a second mother to us all. I have fond memories of her getting on to me, JoEllen, and Linda as we did our teenagers and young adult things. Moma Logan was always getting on to us and keeping us us in check! I just want to extend my condolences to the family. May God comfort, strengthen, and keep you during this time of bereavement. I will keep you all in my prayers.
