“ Dear Ward Family I am so sorry to read about the death of your mother Marthenia. It seems unfair that death should have the power to take away our loved ones. When tragedy like this happens there are many questions that if answered can be soothing to the heart. Is God to blame for the loss of my mom? Will I ever see her again? These questions and many more can be answered from the Bible at www.jw.org. My sincerest condolence to all in your family.
